That Other You Could Wreck Your Marriage!

Your married happiness depends on the real you... confident you, never doubting your intimate feminine hygiene. Don't risk becoming another you!

ALWAYS make sure of feminine distinctness... douche regularly with "Lysol"!  
"Lysol" cleanses the vaginal canal even in the presence of mucous matter. No alkalinity like soap, salt or soda can possibly act the same way!  
"Lysol" is the famous disinfectant with amazing, proved power to kill germ-life quickly on contact!  
Yes, gentle, non-caustic "Lysol" will not harm delicate tissue. Correct douching solution in the simple directions on every bottle. Many doctors advise patients to douche regularly with "Lysol" just to insure distinctness alone, and to use it as often as needed. No greasy aftereffect.  
Don't run this risk! Don't let neglect create a "dual personality"... another you, full of doubts, misgivings and inhibitions! Don't let that other you destroy your love!  
Get "Lysol" brand disinfectant today, and use it regularly.

Preferred 3A1 over any other liquid preparation for Feminine Hygiene!

**BUT**—these charms may be wasted if she uses the **WRONG DEODORANT**

"More solution... costs less... I love Gentle Spring® Disposable Douche..."

What a wonderfully fresh feeling!  
New Gentle Spring is for women who like the convenience of a disposable but prefer more solution than disposables provide. Gentle Spring actually holds a full 12 ounces... twice as much as Summer's Eve® and Massengill®.

Gentle Spring is uniquely designed to be comfortable to use. And, because it's so soft and pliable, it's easy to squeeze out the solution. New Gentle Spring... It's everything you want in a disposable.

More solution... costs less... you'll love new Gentle Spring.

12 OUNCES to make you feel really fresh.
